

RICHELIEU ANTIBACTERIAL CABINET HARDWARE

Richelieu innovates again!

An assortment of cabinet hardware products with highly effective, certified antibacterial finish and recycled content for LEED certification.

FOOD PLANTS

KITCHENS

BY USING THE ANTIBACTERIAL CABINET HARDWARE, YOU WILL:

- Reduce risks and costs associated to HAIs (Healthcare Associated Infections).
- Improve hygiene at home, in workplace or in any traffic area by minimizing bacteria and risks of cross contamination.
- Lessen the use of biological agents to which bacteria's resistance can be developed.
