

Cavare, the discreet, elegant pull-out shelf for home (kitchen, closet, living room), office or store fixtures applications. It combines direct access through the front of the shelf with an excellent overview of contents when extended, making it truly unique especially with its minimalist trendy look!

Product Features

- *Versatile*: comes in **3 different widths**.
- *Large surface storage*: **the shape and material used**, allow a **better space optimization**.
- *Smart*: Cavare comes with an **adapter system** to fit on full extension slides or ¾" extension slides (with or without slow motion).
- *Anti-slip*: each shelf is equipped with a **non slip mat**, avoiding contents to move around and make noise or to fall off the shelf.
- Cavare comes in one set of 2 shelves. Slides and dividers have to be ordered separately.

CAVARE : when storage meets design
